editor's office responsible for any rejection/delay in publication if any such formality/instructions remain unfulfilled.

11. I/We assures that the MS/M.Phil. or PhD scholar from whom theses/dissertation the manuscript is extracted is declared as first author followed by his/her official declared supervisor/co-supervisor.
12. No addition/deletion or any change in the sequence of the authorship will be permissible after submission at any stage.
13. I/We attest/assures that they shall produce the data upon which the manuscript is based for evaluation by the Editors of their assignees should it be requested.
14. If the authorship is contested at any stage, the article will be either returned or will not be processed for publication till the issue is solved.

Notwithstanding the above, the researchers or, if applicable, the researcher's employer, retain(s) all proprietary rights other than copyright, such as

- a) Patent rights.
- b) To use, free of charge, all parts of this article for the author's future works in books, lectures, classroom teaching, or oral presentations.
- c) The right to reproduce the article for their own purposes provided the copies are not offered for sale.

As the corresponding author, I also warrant that "Journal of Muhammad Medical College" and its Editors" will not be held liable for any copyright claims of any third party or in lawsuits that may be filed in the future, and that I will be the only person who will be liable in such cases.

AI: It is advisable that if any artificial intelligence (AI)-assisted technologies were used in the preparation of the manuscript, the corresponding author should specify such technologies in both the cover letter and the relevant section of the submitted work, if applicable, along with the manner in which they were employed.

For example, if AI was used for writing assistance, this should be acknowledged in the acknowledgment section of the manuscript. If AI was utilized for data collection, analysis, or figure generation, authors are required to clarify this usage in the methodology section. Chatbots (such as ChatGPT) should not be credited as authors, as they cannot be held responsible for the accuracy, integrity, and originality of the work, which are fundamental responsibilities of authorship.

I/we also warrant that

1. The research paper contains no libelous or unlawful statements.
2. I/we did not use any unlawful method or material during the research.
3. I/we own(s)/obtained all legal permissions pertaining to the research.

[This document must be signed manually by all author(s) and corresponding author should submit scan copy through his/her official email id to journal of Muhammad Medical College]

4. I/we adhered to ethical principles during the research and if there is copyright claims of any third party or in lawsuits happen against this publication than sole responsibility is of below author(s).
